

# I Need You by Tim McGraw / Faith Hill

Bm, A, D

I wanna drink that shot of whiskey  
I wanna smoke that cigarette  
I wanna smell that sweet addiction on my breathe  
I wanna ride across West Virginia  
in the back seat of a Cadillac  
You know some cowboys like me go out like that

Chorus:

So I need you  
Like a needle needs a vein  
Like my uncle Joe in Oklahoma needs a rain  
And I need you  
Like a lighthouse on a coast  
Like the father and the son need the Holy Ghost  
I need you

(Faith) (Same progression throughout song)

I wanna get lost in some corner booth, Cantina Mexico  
I wanna dance to the static of an AM radio  
I wanna wrap the moon around us, lay beside you skin on skin  
Make love til the sun comes up, til the sun goes down again  
Cause I need you  
Like a needle needs a vein  
Like my uncle Joe in Oklahoma needs a rain  
I need you  
Like a lighthouse on a coast  
Like the father and the son need the Holy Ghost  
I need you, OOH I need you
