

Am G  
Once I thought I saw you in a crowded, hazy bar...  
F Em - G  
dancin' on the light from star to star.  
Am G  
Far across the moonbeams, I know that's who you are.  
F Em - G  
I saw your brown eyes turning once to fire.

(CHORUS)

C G F G C G F G  
You are like a hurricane: there's calm in your eye.

C G F G  
And I'm getting' blown away. ..  
F (hold)

There's somewhere safer where the feelings stay.  
(F) Am – G – F – Em – G  
I wanna love you but I'm getting blown away.

Am G  
I am just a dreamer, but you are just a dream,  
F Em - G  
and you could have been anyone to me.  
Am  
Before that moment you touched my lips,  
G  
that perfect feeling when time just slips...  
F Em - G  
away between us and our foggy trips.

(CHORUS)

C G F G C G F G  
You are like a hurricane: there's calm in your eye.

C G F G
