 There's no combination of words I could put on the back of a postcard

 No song that I could sing But I can try for your heart

 Our dreams, and they are made out of real things  
 Bb                      Bb/A                      Gm                      C  
 Like a, shoebox of photographs With sepiatone loving  
 F                      F/E                      Dm                      C  
 Love is the answer, At least for most of the questions in my heart  
 Bb                      Bb/A                      Gm                      C  
 Like why are we here? And where do we go? and how come it's so hard?

 It's not always easy and Sometimes life can be deceiving

 I'll tell you one thing it's always better when we're together

[Chorus:]

 MMM it's always better when we're together  
 Bb                      C                      C/B

Yeah, we'll look at the stars when we're together

Bb C C/B

Well, it's always better when we're together

Bb C C/B

Yeah, it's always better when we're together

verse 2

And all of these moments Just might find their way into my dreams tonight

But I know that they'll be gone When the morning light sings

And brings new things For tomorrow night you see

That they'll be gone too Too many things I have to do

But if all of these dreams might find their way Into my day to day scene

I'd be under the impression I was somewhere in between

With only two Just me and you Not so many things we got to do

Or places we got to be We'll Sit beneath the mango tree now

[Chorus:]

Bb C C/B

MMM it's always better when we're together

Bb C C/B

Yeah, we'll look at the stars when we're together

Bb C C/B

Well, it's always better when we're together

Bb C C/B

Yeah, it's always better when we're together

(repeat verse theme)

But there is not enough time, And there is no, no song I could sing

And there is no, combination of words I could say

But I will still tell you one thing We're better together.
