Intro: G - D/F# - Em - C | G - C - G - D

Verse 1:

C                      G                      C                      G  
There's a calm surrender to the rush of day.  
C                                      G                      Am7                      D  
When the heat of the rolling world, can be turned away.  
C                      G                      C                      G  
An enchanted moment and it sees me through

C                      Em                      F                      D  
It's enough for this restless warrior, just to be with you.

Chorus:

      G        D/F#        Em        C  
And can you feel the love tonight?  
G        C        A        D  
It is where we are  
C        G                Em        G        C  
It's enough for this wide-eyed wanderer  
Am G C A D  
That we got this far  
      G        D/F#        Em        C  
And can you feel the love tonight?  
G        C        A        D  
How it's laid to rest?  
C        G                Em        G        C  
It's enough to make kings and vagabonds  
      Am G C C/G G  
Believe the ve - ry best

Verse 2:

C                      G                      C                      G  
There's a time for everyone, if they only learn  
C                      G        Am7                      D  
That the twisting kaleidoscope, moves us all in turn.  
C                      G        C                      G  
There's a rhyme and reason to the wild outdoors  
C                      Em                      F                      D  
When the heart of this star-crossed voyager, beats in time with yours.

Chorus:

      G        D/F#        Em        C  
And can you feel the love tonight?  
G        C        A        D  
It is where we are  
C        G                Em        G        C  
It's enough for this wide-eyed wanderer  
Am G C A D  
That we got this far  
      G        D/F#        Em        C  
And can you feel the love tonight?  
G        C        A        D  
How it's laid to rest?  
C        G                Em        G        C  
It's enough to make kings and vagabonds
