

# Come and Go Blues – The Allman Brothers Band

Tempo: 90 BPM

Strumming Pattern: D, X, DU, UD, DU (x indicates mute with a downstroke)

Chords Used:

Intro: G7 – G (x2)

G7                      G  
People say that you're no good,  
                    C    G  
But I wouldn't cut you loose, baby, if I could  
                    G7    G  
Well, I seem to stay down on the ground,  
                    C    G  
Baby, I'm too far gone to start turnin' around  
                    G7    G  
Well if only you would make up your mind  
C    G  
Take me where you go, or just leave me here behind

Chorus:

D                                      F                      C      G7  
Lord, you got those come and go blues,  
D                                      F                      C      G7  
Woman, you got those come and go blues,  
                    C    G  
got me feelin'                                      like a foooooool

Chorus :

G7                                G  
Sail on, darlin', sail on  
         C    G  
Woman, you go your way, and I'll go mine  
G7                                G  
Seems to me, that I once heard  
         C    G  
That everything is finally cured by time  
        G7                                G  
So sail on, darlin', sail on  
         C    G  
Lord, I wish you good luck, and I'll see you when you come next time.

Chorus :

G7 – G (repeat and end on G)
