

## More Than A Memory by Garth Brooks

**..F .....C**

People say she's only in my head

**Am..... F.... G**

It's gonna take time, but I'll forget

**F..... C**

They say I need to get on with my life

**Bb .....F**

What they don't realize

**.....C**

Is when you're dialing 6 numbers just to hang up the phone

**G**

Drivin' 'cross town just to see if she's home

**Am**

Waking a friend in the dead of the night

**F**

Just to hear him say it's gonna be alright

**.....C**

When you find the things to do not fall asleep

**.....G**

'Cause you know she'll be there in your dreams

**F**

That's when she's

**Dm..... C**

More than a memory

**F .....C**

Took a match to everything she ever wrote

**Am..... F..... G**

Watched her words go up in smoke

**F .....C**

Tore all her pictures off the wall

**Bb..... F**

That ain't helping me at all

**.....C**

'Cause when you're talkin out loud and nobody's there

**....G**

Ya look like Hell and you just don't care

**Am**

Drinkin' more than you ever drank

**..F**

And sinking down lower than you ever sank

.....**C**  
When you find yourself falling down upon your knees  
**G**  
Prayin' to God, beggin' him "please"  
**F**  
That's when she's  
**Dm..... C ....B .....F**  
More than a memory

.....**C**  
She's more  
.... **F**  
She's more (repeat)

.....**C**  
'Cause when you're dialin' her number just to hang up the phone  
**G**  
Drivin' 'cross town just to see if she's home  
**Am**  
Wakin' a friend in the dead of night  
**F (No Chord)**  
Just to hear 'em say it's gonna be alright  
**C**  
When ya find the things to do not to fall asleep  
**G**  
'Cause you know she's waiting, in your dreams  
..**F**  
That's when she's  
**Dm..... C .....G ....Am.....F**  
More than a memory

**F..... C**  
People say she's only in my head  
....**Am**  
.....It's gonna take time but I'll forget
