

C G C
 All my rowdy friends have settled down
 F G C
 And they seem to be more into laid back songs
 G
 And nobody wants to get drunk and get loud
 C
 Everybody just wants to go back home
 C G C
 I myself have seen my wilder days
 F G C
 And I have seen my name at the top of the page
 F G C
 But I need to find me a friend just to run around
 F C Dm
 But nobody wants to get high on the town
 F G C
 And all my rowdy friends have settled down...

F G
 And I think I know what my father meant
 C
 When he sang about a lost highway
 F G C
 And ole' George Jones I'm glad to see is finally getting straight
 F G C Em Dm
 And Waylon's staying at home and loving Jesse more these days
 F C Dm
 And nobody wants to get drunk and get loud
 F G C
 And all my rowdy friends have settled down

Instrument Solo
 same chord progression

F G C
 And the hangovers hurt more than they used to
 F G C
 And corn bread and iced tea took the place of pills and 90-proof
 F G C Em Dm
 And it seems like none of us do things quite like we used to do
 F C Dm
 And nobody wants to get high on the town
 F G C
 And all my rowdy friends have settled down

F G
And I think I know what my father meant
 C
When he sang about a lost highway
 F G C
And Johnny Cash don't act like he did back in '68
 F G C Em Dm
And Kris he is a movie star and he moved out to L.A.
 F C Dm
And nobody wants to get drunk and get loud
 F G C
And all my rowdy friends have settled down
 F G C
Yea me and my rowdy friends done rowded on down

C G C
