

In The Still Of The Night by The Five Satins

Capo III

D Bm G A7 3x

          D                  Bm          G                  A7  
In the still of the night I held you held you tight  
          D                  Bm                  G                  A7  
cause I love love you so promise I'll never let you go  
          A                  D                  G                  D  
in the still of the night (in the still of the night)

          G  D  
I remember that night in May the stars were bright above  
          G                                  A                  A7  
I'll hope and I'll pray to keep your pre-cious lo-ve

          D          Bm                  G                  A7  
well before the light hold me again with all of your might  
          A                  D                  G                  D          D7  
in the still of the night (in the still of the night)

D Bm G A7 2x A D G D D7

          D          Bm                  G                  A7  
So before the light hold me again with all of your might  
          A                  D                  G                  D          (pause)  
in the still of the night (in the still of the night)  
          D                  A                  A7 D  
in the still .... of .... the night

D Bm G A7 . . .
