

# You Don't Bring Me Flowers by Neil Diamond

## Pattern: D, D, DU

Warning: This one is VERY confusing, as it was on piano. However, this is the best I could do per request for this song.

C - G - F - G

C .....G.....F.....C

You don't bring me flowers, you don't sing me love songs.

...F.....C

You hardly talk to me anymore,

.....F.....Dm.....C.....G

when I come through the door, at the end of the day

----- C

I remember when...

.....G.....F.....C

You couldn't wait to love me, used to hate to leave me

..F..... Dm..... G

Now after lovin' me late at night.

C .....F.....Dm..... G

When it's good for you, and you're feeling alright.

C..... Em..... Am.....Fm

Well, you just roll over, and you turn out the light,

.....C..... G..... C

and you don't bring me flowers anymore.

C..... G..... F..... C

It used to be so natural to talk about forever,

F..... C

but 'used to be's' don't count anymore,

.....F..... Dm .....C .....G

they just lay on the floor, 'til we sweep them away

.....C..... G .....F..... C

And baby, I remember all the things you taught me.

.....F .....Dm ...G

I learned how to laugh, and I learned how to cry.

...C .....F..... Dm..... G

Well, I learned how to love, and I learned how to lie.

C..... Em .....Am..... Fm

So you'd think I could learn how to tell you goodbye,

.....C..... G..... C

'cause you don't bring me flowers anymore.
