Red red wine,
Go to my head G C D
Make me forget that I C D

G C D
Red red wine,
It's up to you G C D
All I can do I've done, C D
But memories won't go; G C D
No, memories won't go D G C D

D
I have sworn,
That with time, G
Thoughts of you would leave my head C
I was wrong, and I find, D G
Just one thing makes me forget C D

G C D
Red red wine,
Stay close to me G C D
Don't let me be alone, G C D
It's tearing apart; G C D
My blue, blue heart. D G C D

That with time, G
Thoughts of you would leave my head C
I was wrong, and I find, D G
Just one thing makes me forget C D

Red red wine,
