When your rooster crows at the break of dawn

D7                                  G  
  I'm on the dark side of the road  
          C                                  C7  
Still I wish there was somethin' you would do or say  
F  D7  
  To try and make me change my mind and stay  
C                  G                  Am          F

          C                                  C7  
I'm a-thinkin' and a-wond'r'in' walkin' all the way down the road
