Pattern: D, D, D, DU

G

He said I'll love you til I die

C

She told him you'll forget in time

D

As the years went slowly by

G

She still preyed upon his mind

G

He kept her picture on his wall

C

Went half crazy now and then

D

He still loved her through it all

G

Hoping she'd come back again

G

Kept some letters by his bed

C

and in 1962

D

He had underlined in red

Every single I love you

I went to see him just today

Oh but I didn't see no tears

All dressed up to go away

First time I'd seen him smile in years

Chorus:

He stopped loving her today

They placed a wreath upon his door

And soon they'll carry him away

He stopped loving her today

You know she came to see him one last time

Oh and we all wondered if she would

And it kept running through my mind

This time he's over her for good

Chorus...
