It still feels like our first night together
 Feels like the first kiss and it's getting better, baby
 No one can better this
 You're still holding on, you're still the one
 The first time our eyes met, same feeling I get
 Only it feels much stronger, I wanna love you longer
 You still turn the fire on

Bridge:

So if you're feeling lonely, don't
You're the only one I ever want
I only wanna make it go
So if I love you a little more than I should...

Chorus:

Please forgive me, I know not what I do
Please forgive me, I can't stop loving you
Don't deny me this pain I'm going through
Please forgive me, if I need you like I do
Please believe me, for what I say is true
Please forgive me, I can't stop loving you

I remember all your moves, I remember you, yeah!
I remember the nights, you know I still do

Bridge:

So if you're feeling lonely, don't
You're the only one I ever want
