

INTRO- G D C G, THEN- C D G

VERSE 1

C D G  
Now, every time that I come home nobody wants to let me be.

C D G  
Seems that all the friends I've got just got to come interrogate me.

C D Em C G  
Well, I appreciate your feelings, and I don't want to pass you by,

G D C G  
But I don't ask you about your business. Don't ask me about mine.

VERSE 2

C D G  
Well, it's true I love the money, and I love my brand new car.

C D G  
I like drinkin' the best of whiskey and playin' in a honky-tonk bar.

C D Em C  
But when I come off the road, well I just got to have my time,

G D C G  
Cause I've got to find a break in this action, else I'm gonna lose my mind.

CHORUS

G D C G  
So don't ask me no questions And I won't tell you no lies.

G D C G  
Don't ask me about my business, And I won't tell you goodbye.

SOLO BREAK- Same chords as verse

VERSE 3

'What's your color? Do you dig the brothers?" is driving me up the wall,  
And every time I think that I can sleep, some fool has got to call.

Well, don't you think that when I come home I just want a little piece of  
mind?

If you want to talk about this business, buddy, you're just wasting time.

CHORUS

So don't ask me no questions And I won't tell you no lies.

don't ask me about my business, And I won't tell you goodbye.

I said don't ask no stupid questions And I won't send you away.

If you want to talk fishin', Well I guess that'll be OK.
