

Darcy Farrow – John Denver

Fingerstyle - Use thumb for low melody notes, 1st finger for mid melody, and 2nd finger for high melody.

Chords Used:

Capo I *

John Denver played this with a capo on the third fret, but I played along with this song on YouTube using a capo on the first fret and it worked just fine. This is a MUCH easier version to play because there aren't a ton of hammer-ons and pull-offs and to me still works just fine.
