

You're Beautiful - James Blunt

Tempo: NA

Strumming Pattern: DDD, DU, DUDD, DU

Chord Note: If you aren't able to finger the 7th chords don't worry about it. Often a capo applied that high on the fretboard will keep you from hitting the exact chords. However, for purposes of 'technical' aspect I am providing you the actual version as played in the original song. The progression is very repetitive, but it's not real easy to finger with the capo.

Additional Note: The first part of the verse IS performed that way. There isn't an error. It seems strange as Blunt only says one phrase - "My life is brilliant." It's kind of interesting to me. It emphasizes the importance of the opening phrase.
