G-D  
 You see 'em comin' at you every night  
 Strung on pretension- they fall for you at first sight  
 You know their business, you think it's a bore  
 They make you restless, it's nothin' you ain't seen before

E  
 Get around town, spend your time on the run  
     G                    A  
 You never let down, say you do it for fun

E  
 Never miss a play, though you make quite a few  
     G                    D  
 You give it all away - Everybody wants you

You crave attention, you can never say "no"  
 Throw your affections any way the wind blows  
 You always make it, you're on top of the scene  
 You sell the copy like the cover of a magazine

Puttin' on the eyes 'til there's nobody else  
 You never realize what you do to yourself  
 The things that they see make the daily reviews  
 You never get free - everybody wants you

Nights of confusion and impossible dreams  
Days at the mirror, patchin' up around the seams  
You got your glory, you paid for it all  
You take your pension in loneliness and alcohol

Say goodbye to conventional ways  
You can't escape the hours, you lose track of the days  
The more you understand, seems the more like you do  
You never get away - Everybody wants you
