Capo 1st fret

C  
He had plastic bags wrapped round his shoes  
He was covered with the evening news  
G D G  
Had a pair of wool socks on his hands

C  
The bank sign was flashing five below  
It was freezin' rain and spittin' snow  
G D G  
He was curled up behind some garbage cans

(Bridge)  
B C  
I was afraid that he was dead, I gave him a gentle shake  
B C D  
When he opened up his eyes I said, Old man are you ok , He said

(Chorus)  
C  
I just climbed out of the cotton wood tree  
G  
I was running from some honey bees  
C  
Drip-drying in the summer breeze  
D

After jumpin' into Calico Creek  
I was walkin' down an old dirt road

Past a field of hay that had just been mowed  
Man I wish you'd just left me alone  
Cause I was almost home

(Verse)

Then he said, I was just comin' round the barn,  
'Bout the time you grabbed my arm  
I heard mamma holler "son hurry up"  
I was close enough for my own nose  
To smell fresh cobbler on the stove  
I saw daddy loadin' up the truck

(Bridge)

Cane poles on the tailgate, bobber's blowin' in the wind.  
Since July of '55, that's as close as I've been, yeah...

(Chorus)

I just climbed out of the cotton wood tree  
I was running from some honey bees  
Drip-drying in the summer breeze  
After jumpin' into Calico Creek  
I was walkin' down an old dirt road  
Past a field of hay that had just been mowed  
Man I wish you'd just left me alone  
Cause I was almost home

(Outro Bridge)

I said "old man you're gonna freeze to death,  
Let me drive you to the mission."  
He said "boy if you'd left me alone  
Right now I'd be fishin"

(Repeat Chorus)
