

Touch Of Grey by The Grateful Dead

Capo II \*

A E A x2

A                    E    A  
 Must be getting early  
 D                    G    D  
 Clocks are running late  
 E                                    A  
 Paint by Number morning sky  
 D  
 Looks so phony  
 A                    E    A  
 Dawn is breaking everywhere  
 D                    G    D  
 Light a candle, curse the glare  
 E                                    A  
 Draw the curtains, I don't care, cause  
 D  
 It's all right

E A            D E A            D E A            G D E            D    E  
 I will get by, I will get by, I will get by, I will survive

A                    E    A  
 I see you've got your list out  
 D                    G    D  
 Say your piece and get out  
 E                                    A  
 Yes I get the gist of it, but  
 D  
 It's all right

A                    E    A  
 Sorry that you feel that way,  
 D                    G    D  
 The only thing there is to say  
 E                                    A  
 Every silver lining's got a  
 D  
 Touch of grey

E A            D E A            D E A            G D E            D    E  
 I will get by, I will get by, I will get by, I will survive

Bm    B7            E  
 It's a lesson to me  
       Bm            B7            E  
 The Ables and the Bakers and the C's  
 F#m   C#   B7            E  
 The ABC's we all must face  
       B7    A7    D    E  
 To try to keep a little grace

Break

Bm    B7            E  
 It's a lesson to me,  
       Bm            B7            E  
 The Deltas and the East and the Freeze

Touch Of Grey by The Grateful Dead

F#m C# B7 E  
The ABC's we all think of,  
B7 A7 D E  
To try to win a little love

A E A  
I know the rent is in arrears,  
D G D  
The dog has not been fed in years  
E A  
It's even worse than it appears,  
D  
It's all right

A E A  
Cow is giving kerosene,  
D G D  
Kid can't read at seventeen  
E A  
The words he knows are all obscene, but  
D  
It's all right

E A D E A D E A G D E D E  
I will get by, I will get by, I will get by, I will survive

A E A  
The shoe is on the hand it fits,  
D G D  
There's really nothing much to it  
E A  
Whistle through your teeth and spit, 'cause  
D  
It's all right

A E A  
Oh well a touch of grey  
D G D  
Kinda suits you anyway,  
E A  
That was all I had to say, and  
D  
It's all right

E A D E A D E A G D E D E  
I will get by, I will get by, I will get by, I will survive

E A D E A D E A G D E D E  
We will get by, we will get by, we will get by, we will survive

E A D E A D E A G D E D E  
We will get by, we will get by, we will get by, we will survive
