

# Strange Brew

Tempo: 104 BPM

Strumming Pattern: D, x, DU (riff)

Chords Used:

A	D9	E7add9
5	x	x
5	5	8
6	5	7
7	4	6
7	5	7
5	x	x

Play the D9 and the E7add9 as you would a D7 chord where your 1<sup>st</sup> finger plays the D string notes, your 2<sup>nd</sup> finger plays the A string, and your 3<sup>rd</sup> finger plays the G string. Add your 4<sup>th</sup> finger for the B string notes.

Riff Used:

You are going to love this. There is ONE riff, and here it is:

For our purpose this song is SUPER easy to play in the sense that there isn't much to it. The riff repeats over and over, and there are only three chords. However, WHERE and WHEN to play these chords isn't so easy. ONE thing to keep in mind: The riff you see above is played after EVERY chord. You can choose to slide the 5 – 7 on the A string to change it up a little if you wish.
