

## Leah – Roy Orbison

Strumming Pattern: DDD, DU, DDD, DU, D, DD, DD

Chords Used:

There are TWO E chords played here. The only time I play the power chord version of the E chord is during the Eb – E progression. The 'open' form of Eb (there's no such thing really) is WAY too difficult to finger. Here are all the chords in the song in an easier to view format:

E – 022100

A – x02220

B7 – 021200

Eb – x688xx

E – x799xx
