

## Clocks by Coldplay (Capo Fret 1)

### Verse

**D.....Am**

Lights go out and I can't be saved,

**Am..... Em**

Tides that I tried to swim against,

**D.....Am**

Have put me down upon my knees,

**Am..... Em**

Oh I beg, I beg and plead, singin',

**D..... Am**

Come out have things I've said,

**Am .....Em**

Shoot an apple off my head, and-a,

**D..... Am**

Trouble that can be named,

**Am .....Em**

Tigers waitin' to be tamed, singin',

### Chorus:

**D.. Am Em**

You..are

You are

### Verse:

**D..... Am**

Confusion that never stops,

**Am..... Em**

Closin' walls an' tickin' clocks, gonna,

**D .....Am**

Come back an' take ya home,

**Am..... Em**

I could not stop, but you now know, singin'

**D..... Am**

Come out upon my seas,

**Am..... Em**

Cursed missed opportunities, am I,

**D..... Am**

A part of the cure,

**Am..... Em**

Or am I part of the disease? Singing

**Chorus ( x 2 )**

**F..... C..... Em**

And nothing else compares

**F..... C..... Em**

Oh nothing else compares

**F..... C..... Em**

And nothing else compares

**F.....**

**D Am Em ( x 4 )**

**Chorus**
