

## World I Know by Collective Soul

**Bm D G A**

Has our conscience shown?

**Bm D G A**

Has the sweet breeze blown?

**Bm D G A**

Has all the kindness gone?

**Bm D G A**

Hope still lingers on.

**A**

I drink myself of newfound pity

**A**

Sitting alone in New York City.

**G**

And I don't know why.

### **Bm D G A (2X)**

**Bm D G A**

Are we listening?

**Bm D G A**

Hymns of offering

**Bm D G A**

Have we eyes to see

**Bm D G A**

That love is gathering?

**A**

All the words that I've been reading

**A**

Have now started the act of bleeding

**G**

Into one....Into one.

### **Chorus:**

**D A**

So I walk upon high

**G**

And I step to the edge

**D**

To see my world below.

**D**                    **A**  
And I laugh at myself

**C**  
While the tears roll down.

**G**  
'Cause it's the world I know.

**(Bm)**  
Oh It's the world I know.
