[Verse 1]

```

C                Cmaj7
Something in the way she moves,
C7                F
Attracts me like no other lover.
D7                G
Something in the way she woos me.
  Am                Am(maj7)
I don't wanna leave her now,
  Am7                D9
You know I believe, and how.

```

[Verse 2]

```

C                Cmaj7
Somewhere in her smile she knows,

C7                F        F/E
That I don't need no other lover.

D7                G
Something in her style that shows me.

  Am                Am(maj7)
I don't wanna leave her now,

  Am7                D9
You know I believe and how.

```

[Bridge]

```

A                C#/G#        F#m7  A/E
You're asking me will my love grow,
  D        G        A
I don't know, I don't know.
A                C#/G#        F#m7  A/E
You stick around now, it may show,
  D        G        A
I don't know, I don't know.

```

(I personally dont play the C#/G# you can just skip it although its incorrect.)

[Chorus]

```

C                Cmaj7
Something in the way she knows,
C7                F

```
