                        No Rain - Blind Melon

E                          D
All I can say is that my life is pretty plain

  A                         G       E
I like watchin' the puddles gather rain

    E                    D
And all I can do is just pour some tea for two

   A                        G       E
and speak my point of view but it's not sane, It's not sane

E           D           E         D
   I just want    some one to say to me    oh,

E           D               E     D
   I'll always be there when you wake    yeah...

E                      D             E        D
   Ya know I'd like to keep my cheeks dry today

E             D               E        D
   So stay with me and I'll have it made

      E                   D
And I don't understand why I sleep all day

    A                       G       E
And I start to complain that there's no rain

    E                   D
And all I can do is read a book to stay awake

  A                         G           E
It rips my life away, but it's a great escape

escape, escape, escape

Play this during guitar solo... E  D  E  D

E                       D
All I can say is that my life is pretty plain

          A
ya don't like my point of view

        G       E
ya think that I'm insane

Its not sane, it's not sane

E           D             E         D
   I just want    someone to say to me  oh,

E           D               E      D
   I'll always be there when you wake      yeah,

E                     D             E          D
   Ya know I'd like to keep my cheeks dry today
