[Verse]

```
          G          A          D
She'd trade Colorado if he'd take her with him
          G          A          D
Closes the door before the winter lets the cold in,
          G          A          Bm          A          G          D/F#
And wonders if her love is strong enough to make him stay,
          Em          G
She's answered by the tail lights
          A          G          D
Shining through the window pane
```

[Chorus]

```
          G          D
He said I wanna see you again
          G          D
But I'm stuck in colder weather
          G          D
Maybe tomorrow will be better
          A
Can I call you then
          G          D
She said you're ramblin' man
          G          D
You ain't ever gonna change
          G          D
You gotta gypsy soul to blame
          A
And you were born for leavin'
```

[Verse]

G A D
 At a truck stop diner just outside of Lincoln,
 G A D
 The night as black as the coffee he was drinkin',
 G A Bm A G D/F#
 And in the waitress' eyes he sees the same 'ol light shinin',
 Em G
 He thinks of Colorado
 A G D
 And the girl he left behind him

[Chorus]

G D
 He said I wanna see you again
 G D
 But I'm stuck in colder weather
 G D
 Maybe tomorrow will be better
 A
 Can I call you then
 G D
 She said you're ramblin' man
 G D
 You ain't ever gonna change
 G D
 You gotta gypsy soul to blame
 A
 And you were born for leavin'
 G
 Born for leavin'

[Bridge]

Em D/F#
 Well, it's a winding road
 Bbdim7 Bm
 When you're in the lost and found
 G D/F#
 You're a lover, I'm a runner
 A
 And we go 'round 'n 'round
 G D
 And I love you but I leave you
 G D
 I don't want you but I need you
 G D A
 You know it's you who calls me back here, baby

[Instrumental]

G G D G G D G G D A

[Chorus]

G D
Oh, I wanna see you again

G D
But I'm stuck in colder weather

G D
Maybe tomorrow will be better

A
Can I call you then

G D
Cuz I'm a ramblin' man

G D
I ain't ever gonna change

G D
I gotta gypsy soul to blame

A
And I was born for leavin'

G
Born for leavin'

N.C.

And when I close my eyes I see you

No matter where I am

A
I can smell your perfume through these whispering pines

G D
I'm with your ghost again

G D
It's a shame about the weather

G D
I know soon we'll be together

A
And I can't wait till then

G
I can't wait till then

[Outro]
