

You Ain't Woman Enough To Take My Man by Loretta Lynn

[Verse]

G  
You call to tell me something  
C  
You say I oughta know  
D  
That he don't love me anymore  
G  
And I have to let him go  
G  
You say you're gonna take him  
C  
Oh but I don't think you can  
D G  
Because you ain't woman enough to take my man

[Chorus]

D  
Women like you, they're a dime a dozen  
C G  
You can buy 'em anywhere  
A  
For you to get to him I'd have to move over  
D  
And I'm gonna stand right here  
G  
Well it'll be over my dead body  
C  
So get out while you can  
D G  
'Cause you ain't woman enough to take my man
