

## Big City by Merle Haggard

[Intro]

E A  
E B  
E

[Verse 1]

E A  
I'm tired of this dirty old city.  
E B  
Entirely too much work and never enough play.  
E A  
And I'm tired of these dirty old sidewalks.  
E B E  
Think I'll walk off my steady job today.

[Chorus]

E A E  
Turn me loose, set me free, somewhere in the middle of Montana.  
B  
And gimme all I got comin' to me,  
E A E  
And keep your retirement and your so called social security.  
B E  
Big City turn me loose and set me free.

[Break]

E A E B E

[Verse 2]

E A  
Been workin' everyday since I was twenty.  
E B  
Haven't got a thing to show for anything I've done.  
E A  
There's folks who never work and they've got plenty.  
E B E  
Think it's time some guys like me had some fun. So

[Chorus]

E A E  
Turn me loose, set me free, somewhere in the middle of Montana.  
B  
And gimme all I got comin' to me,

E A E  
And keep your retirement and your so called social security.  
B E  
Big City turn me loose and set me free.

[Outro]

B                  E

Hey, Big City turn me loose and set me free.
