

# Blown Away by Carrie Underwood

Capo 5

[Intro]

Em G D x2

[Verse]

Em G D  
Dry lightning cracks across the skies  
Em G D  
Those storm clouds gather in her eyes  
Em G  
Her Daddy was a mean old mister  
D  
Momma was an angel in the ground  
Em G  
The weatherman called for a twister  
D  
She prayed blow it down

Em G  
There's not enough rain in Oklahoma  
D  
To wash the sins out of that house  
Em G  
There's not enough wind in Oklahoma  
D  
To rip the nails out of the past

[Chorus]

Em G D  
Shatter every window 'til it's all blown away  
Em G D  
Every brick, every board, every slamming door blown away  
Em  
'Til there's nothing left standing  
G D  
Nothing left of yesterday  
Em G D  
Every tear-soaked whiskey memory blown away

Em G D  
Blown away

[Verse]

Em G D  
She heard those sirens screaming out  
Em G D  
Her daddy laid there passed out on the couch  
Em G  
She locked herself in the cellar  
D  
Listened to the screaming of the wind  
Em G  
Some people call it taking shelter  
D  
She called it sweet revenge

[Chorus]

Em G D  
Shatter every window 'til it's all blown away  
Em G D  
Every brick, every board, every slamming door blown away  
Em  
'Til there's nothing left standing  
G D  
Nothing left of yesterday  
Em G D  
Every tear-soaked whiskey memory blown away  
Em G D  
Blown away

Em G  
There's not enough rain in Oklahoma  
D  
To wash the sins out of that house  
Em G  
There's not enough wind in Oklahoma  
D  
To rip the nails out of the past

Em G D  
Shatter every window 'til it's all blown away  
Em G D  
Every brick, every board, every slamming door blown away  
Em  
'Til there's nothing left standing  
G D  
Nothing left of yesterday  
Em G D  
Every tear-soaked whiskey memory blown away  
Em G D  
Blown away  
Em G D  
Blown away  
Em G D  
Blown away  
Em G D  
Blown away  
Em  
Blown away
