[Verse]

C G  
American girls and American guys  
Am  
We'll always stand up and salute  
E  
We'll always recognize  
F  
When we see Old Glory flying  
C  
There's a lot of men dead  
G  
So we can sleep in peace at night when we lay down our head  
C  
My daddy served in the army  
G Am  
Where he lost his right eye but he flew a flag out in our yard  
E  
'Til the day that he died  
F C  
He wanted my mother, my brother, my sister and me  
G  
To grow up and live happy in the land of the free  
C G  
Now this nation that I love has fallen under attack  
Am E  
A mighty sucker punch came flyin' in from somewhere in the back  
F  
Soon as we could see clearly  
C  
Through our big black eye  
G  
Man, we lit up your world Like the Fourth of July

[Chorus]

F G  
Hey Uncle Sam, put your name at the top of his list  
C Am  
And the Statue of Liberty started shakin' her fist  
F G  
And the eagle will fly man, it's gonna be hell  
C Am  
When you hear mother freedom start ringin' her bell  
F G Am

And it feels like the whole wide world is raining down on you  
F G C  
Oh, brought to you courtesy of the red white and blue

G Am E F C G

[Verse]

C G  
Oh, and justice will be served and the battle will rage  
Am E  
This big dog will fight when you rattle his cage  
F  
And you'll be sorry that you messed with  
C D  
The U.S. of A.

G  
'Cause we'll put a boot in your ass

It's the American way

[Chorus]

F G  
Hey Uncle Sam, put your name at the top of his list  
C Am  
And the Statue of Liberty started shakin' her fist  
F G  
And the eagle will fly it's gonna be hell  
C Am  
When you hear mother freedom start ringin' her bell  
F G Am  
And it'll feel like the whole wide world is raining down on you  
F G C  
Oh, brought to you courtesy of the red white and blue
