

Highwayman by The Highwaymen

[Intro]

Bm	Bm	Bm	Bm
----	----	----	----

[Verse 1] (Willie Nelson)

[illegible]

[Verse 2] (Kris Kristofferson)

Bm A G Bm
I was a sailor, I was born upon the tide

A G D A
With the sea, I did abide

Em Bm A G
I sailed a schooner round the horn to Mexico

Em Bm A G
I went aloft and furled the mainsail in a blow

Bm A G A D
And when the yards broke off, they said that I got killed

G A A
But I am living still

[Verse 3] (Waylon Jennings)

Bm A G Bm
I was a dam builder, across a river deep and wide
A G D A
Where steel and water did collide
Em Bm A G

A place called Boulder on the wild Colorado
 Em Bm A G
 I slipped and fell into the wet concrete below
 Bm A G A D
 They buried me in that gray tomb that knows no sound
 G A
 But I am still around

[Bridge] (All)

 D A/C# Bm A
 I'll always be around, and around, and around, and around,
 G D/F# Em G A D
 and around, and around ...

[Verse 4] (Johnny Cash)

Bm A G Bm
 I'll fly a starship 'cross the universe divide
 A G D A
 And when I reach the other side
 Em Bm A G
 I'll find a place to rest my spirit if I can
 Em Bm A G
 Perhaps I may become a highwayman again
 Bm A G A D
 Or I may simply be a single drop of rain
 G A
 But I will remain

[Outro] (All)

 D A/C# Bm A
 And I'll be back again, and again, and again, and again,
 G D/F# Em G A D
 and again, and again ...
