## [Verse 1]

```
Em7          D          Cadd9
I can take the rain on the roof of this empty house,
      D
That don't bother me,
Em7          D          C
I can take a few tears now and then and just let em out,
      D          Cadd9
I'm not      afraid to cry every once in a while,
      D          Em7
Even though goin on with you gone, still upsets me,
Cadd9
There are days every now and again, I pretend I'm ok,
      D
But that's a not what gets me
```

## [Chorus]

```
Em          D    Cadd9
What hurts the most,      was being so close,
G          C D
And having so much to say,      and watching you walk away,
Em          D    Cadd9
And never knowin',      what could've been,
G          Dsus4      D          Em7    D    Cadd9
```

And not seein that lovin you, is what I was tryin to do

[Verse 2]

Em7 D Cadd9  
It's hard to deal with the pain of losin you everywhere I go,  
D  
But I'm doin' it,  
Em7 D Cadd9  
It's hard to force that smile when I see our old friends and I'm alone,  
D  
Still harder,  
Cadd9 D  
Gettin up, gettin dressed, livin with this regret,  
Em7 D Cadd9  
But I know if I could do it over, I would trade, give away  
D  
All the words that I saved in my heart that I left unspoken

[Chorus]

Em D Cadd9  
What hurts the most, is being so close,  
G C D  
And having so much to say, and watching you walk away,
