

# It's A Great Day To Be Alive by Travis Tritt

## [Verse 1]

G C G  
I got rice cooking in the microwave  
D Em C  
Got a three day beard I don't plan to shave  
G D Em C D C G  
And it's a goofy thing but I just gotta say hey, I'm doing alright  
G C G  
Yeah, I think I'll make me some homemade soup  
D Em C  
Feeling pretty good and that's the truth  
G D Em C D C G  
It's neither drink nor drug induced, no, I'm just doin' alright

## [Chorus]

D Em  
And it's a great day to be alive  
Am G/B C D  
I know the sun's still shining when I close my eyes  
D D Em  
There's some hard times in the neighborhood  
Am G/B C D G  
but why can't every day be just this good?

## [Instrumental]

(G) G/B C G D C

## [Verse 2]

G C G  
It's been 15 years since I left home  
D Em C  
Said good luck to every seed I'd sown  
G D Em C  
Give it my best and then I left it alone, ohh  
D C G  
I hope they're doin' alright  
G C G

Now I look in the mirror and what do I see?

D Em C  
A lone wolf there starin' back at me  
G D Em C  
Long in the tooth but harmless as can be  
D C G  
Lord, I guess he's doin' alright

[Chorus]

D Em  
And it's a great day to be alive  
Am G/B C D  
I know the sun's still shining when I close my eyes  
D D Em  
There's some hard times in the neighborhood  
Am G/B C D Em  
but why can't every day be just this good?

[Bridge]

(Em) D C G  
Sometimes it's lonely, sometimes it's only me  
Em C D  
And the shadows that fill this room  
Em D C  
Sometimes I'm fallin', desperately callin'  
G Asus4 A  
Howlin' at the moon

[Interlude]

G C G D Em C  
Ahhhwooooooo!  
G D Em C D C G  
Ahhhwooooooo!  
G C G D Em C  
  
G D Em C D C G

[Verse 3]

Well, I might go get me a new tattoo  
Or take my old Harley for a three day cruise  
Might even grow me a fu man chu, ohh aww!

[Chorus]

And it's a great day to be alive  
I know the sun's still shining when I close my eyes  
There's some hard times in the neighborhood  
but why can't every day be just this good?

It's a great day to be alive  
I know the sun's still shining when I close my eyes  
There's some hard times in the neighborhood  
but why can't every day be just this good?

[Outro]
