The work day passes like molasses in wintertime, but it's July

Gettin' paid by the hour, and older by the minute, boss just pushed me over
the limit

I'd like to call him somethin', I think I'll just call it a day

Pour me something tall and strong, make it a Hurricane before I go insane

It's only half past twelve, but I don't care, it's 5 o'clock, somewhere

Tomorrow mornin' I know there'll be hell to pay, hey but that's alright

Ain't had a day off now in over a year, my Jamaican vacation's gonna start
right here

If the phone's for me, you can tell them I've just sailed away

[Chorus]

[Bridge]

I could pay off my tab, pour myself in cab and be back to work before two
At a moment like this I can't help but wonder what would Jimmy Buffett do

[Chorus]

Pour me something tall and strong, make it a Hurricane before I go insane
It's only half past twelve, but I don't care

Pour me something tall and strong, make it a Hurricane before I go insane
It's only half past twelve, but I don't care, he don't care, and I don't
care
N.C.
It's 5 o'clock, somewhere

[Outro]

D G A D
