

Chasin' You by Morgan Wallen

[Verse 1]

Em D
We used to chase that Chattanooga freight
C
Couple a kids in a Chevrolet
G
Catch a little air when we cross the tracks
Em
Sippin' on somethin' from a paper sack
D
You hang your shirt on that maple limb
C
Slippin' through the moon to the river bend
Wasn't very long I's jumpin' in, jumpin' in,
C*
I guess I'm, still doin' now, what I's doin' then

[Chorus]

Em D C G
Chasin' you-ou like a shot of whiskey
Em D C G
Burnin' goin' down, burnin' goin' down
Em D C G
Chasin' you-ou like those goodbye taillights
Em D C G
Headin' west to anywhere out of this nowhere town
Em D C G
Chasin' that freedom, chasin' that feelin' that got gone too soon
Em D C G
Chasin' that you and me, I only see in my rearview
Em D C G
Hell, I'm layin' here tonight holdin' someone new
Em D C G
Still chasin' you, still chasin' you

[Interlude]
