

# Drinkin' And Dreamin' by Waylon Jennings

CAPO #2

C            C            C            C

C  
Everybody's looking for some way in,  
F C  
I'm looking for some way out.

I've been wasting my time, standing in line,  
G C  
If this is what it's all about.

C  
All I got is a job that I don't like,  
F C  
And a woman that don't understand.

So tonight at the bar, I'll get in my car,  
G C  
And take off for the Promised Land.

**\*Chorus\***

F C Cmaj7 C  
 Drinkin' and dreamin', knowing damn well I can't go,  
 G C Cmaj7 C  
 I'll never see Texas, L.A. or ol' Mexico.  
 F C Cmaj7 C  
 But here at this table, I'm able to leave it behind.  
 G C Cmaj7 C  
 Drink till I'm dreamin', a thousand miles out of my mind.

```
*break*
```

G            G            C            C

C  
This suit and this tie, is just a disguise,

F C  
This ain't really me.

Some people are born to be tied down,  
G C  
Some people are born to be free.

C  
When I look down the road, she don't know,  
F C  
How it gets under my skin.

She's got my body, but my heart and soul,  
G C  
Are out there riding the wind.

\*Chorus\*

F C Cmaj7 C  
Drinkin' and dreamin', knowing damn well I can't go,  
G C Cmaj7 C  
I'll never see Texas, L.A. or ol' Mexico.  
F C Cmaj7 C  
But here at this table, I'm able to leave it behind.  
G C Cmaj7 C  
Drink till I'm dreamin', a thousand miles out of my mind.

\*Chorus\*

F C Cmaj7 C  
Drinkin' and dreamin', knowing damn well I can't go,  
G C Cmaj7 C  
I'll never see Texas, L.A. or ol' Mexico.  
F C Cmaj7 C  
But here at this table, I'm able to leave it behind.  
G C Cmaj7 C  
Drink till I'm dreamin', a thousand miles out of my mind.
