

# Check Yes Or No by George Strait

Capo 3rd Fret

## [Intro]

D D A A G x2

## [Verse 1]

D A G  
It started way back in third grade  
D A G  
I used to sit beside Emmie Lou Hayes  
D A G  
A pink dress, matching bow, and her pony tail  
G A  
She kissed me on the school bus but told me not to tell.

## [Verse 2]

D A G  
Next day I chased her `round the playground  
D A G  
Across the monkey bars to the merry go round  
D A G  
and Emmie Lou got caught passing me a note  
G A  
Before the teacher took it I read what she wrote:

## [Chorus]

D Bm G  
Do you love me?, Do you want to be my friend?  
A  
and if you do.  
D Bm G  
Well then don't be afraid to take me by the hand  
A  
if you want to.  
G A  
I think this is how love goes, check yes or no.

## [Instrumental] x2

D D A A G

## [Verse 3]

D A G  
Now we're grown up and she's my wife  
D A G

Still like two kids with stars in our eyes

D                    A                    G  
Ain't much changed I still chase Emmie Lou

G                    A  
Up and down the hall, around the bed in our room.

[Verse 4]

D                    A                    G  
Last night I took her out in a white limousine

D                    A                    G  
Twenty years together and she still gets to me

D                    A                    G  
can't believe it's been that long ago

G                    A  
when we got started with just a little note.

[Chorus]

D                    Bm                    G  
Do you love me?, Do you want to be my friend?

A  
and if you do.

D                    Bm                    G  
Well then don't be afraid to take me by the hand

if you want to.

I think this is how love goes, check yes or no.
