

Cold Cold Heart by Hank Williams

[Intro]

A7 D

[Verse 1]

D A7
I tried so hard my dear to show that you're my every dream
D
Yet you're afraid each thing I do is just some evil scheme
G
A mem'ry from your lonesome past keeps us so far apart
A7 D
Why can't I free your doubtful mind and melt your cold, cold heart?

[Verse 2]

D A7
Another love before my time made your heart sad and blue
D
And so my heart is paying now for things I didn't do
G
In anger, unkind words are said that make the teardrops start
A7 D
Why can't I free your doubtful mind and melt your cold, cold heart?

[Verse 3]

D A7
You'll never know how much it hurts to see you sit and cry
D
You know you need and want my love yet you're afraid to try
G
Why do you run and hide from life, to try it just ain't smart
A7 D
Why can't I free your doubtful mind and melt your cold, cold heart?

[Verse 4]

D A7
There was a time when I believed that you belonged to me
D
But now I know your heart is shackled to a memory
G

The more I learn to care for you, the more we drift apart

A7

Why can't I free your doubtful mind and melt your cold, cold heart?
