

# I Can Still Make Cheyenne by George Strait

Capo I

[Intro]

D

[Verse]

D G  
Her telephone rang 'bout a quarter to nine  
D A G  
She heard his voice on the other end of the line  
A  
She wondered what was wrong this time  
D G  
She never knew what his calls might bring  
D A  
With a cowboy like him it could be anything  
G A D A  
And she always expected the worst in the back of her mind  
  
D G  
He said, it's cold out here and I'm all alone  
D A G  
I didn't make the short go, again, and I'm coming home  
A  
I know I've been away too long  
D G  
I never got a chance to write or call  
D A  
And I know this rodeo's been hard on us all  
G A D  
But I'll be home soon and honey is there something wrong

[Chorus]

G A  
She said don't bother comin' home  
Bm7 A G  
By the time you get here I'll be long gone  
D A G A

There's somebody new and he sure ain't no rodeo man  
 G A  
 He said I'm sorry it's come down to this  
 Bm7 A G  
 There's so much about you that I'm gonna miss  
 D A G  
 But it's alright baby if I hurry I can still make Cheyenne  
 D A G A  
 Gotta go now baby if I hurry I can still make Cheyenne

[Verse]

D G  
 He left that phone danglin' off the hook  
 D A G  
 Then slowly turned around and gave it one last look  
 A  
 Then he just walked away  
 D G  
 He aimed his truck toward that Wyoming line  
 D A  
 With a little luck he could still get there in time  
 G A D  
 And in that Cheyenne wind he could still hear her say

[Chorus]

G A  
 She said don't bother comin' home  
 Bm7 A G  
 By the time you get here I'll be long gone  
 D A G A  
 There's somebody new and he sure ain't no rodeo man  
 G A

 Bm7 A G  
 There's so much about you that I'm gonna miss  
 D A G  
 But it's alright baby if I hurry I can still make Cheyenne
