

Island Song by Zac Brown Band

[Verse]

Can anybody here pass me a beer
And I'mma keep playing this music that you hear
And if you know the song then come and sing along with me
Walking with the beach to my left, sea to my right
And I'mma get faded at the Tiki bar tonight
Then I'mma roll one up like my name is Bob
Yeah I'm gonna party like I'm a Jamaican

[Chorus]

If you really wanna know where you can find me
I'll be unwinding
Down in the islands, down in the islands
You should lose track of your timing
Grab a drink beside me
Down in the islands, down in the islands

[Verse]

Can anybody here pass me the rum
And we can find somebody who can play the steel drums
And if you like this beat then everybody dance with me
We got the ladies to the left, fellas to the right

D
And everybody's faded at the Tiki bar tonight
C
And we are gonna dance to the rhythm of the waves
G D
While we drink Bacardi by the bonfire flames

[Chorus]

G D
 If you really wanna know where you can find me
 C
 I'll be unwinding
 G D
 Down in the islands, down in the islands
