```
      D
I was raised off of Rural Route 3,
      A
out past where the blacktop ends,
D
We'd walk to church on Sunday mornin'
      G
and race barefoot back to Johnson's fence
D
    That's where I first saw Mary,
A

Bm              G              A              D
    that summer I turned a corner in my soul down that red dirt road
```

It's where I drank my first beer,
A
    It's where I found Jesus,

    Where I wrecked my first car
G
I tore it all to pieces,
```

D
I learned the path to heaven,
A
It's full of sinners and believers,
Bm
Learned that happiness on earth,
G
Ain't just for high achievers,
Em F#m
I've learned, I've come to know,
G A D
there's life at both ends of that red dirt road

[Verse]

D
Her daddy didn't like me much,
A
In my shackled up GTO,
D
I'd sneak out in the middle of the night,
G
Throw rocks at her bedroom window,
D
We'd turn out the headlights,
A
Drive by the moonlight,
Bm G
Talk about what the future might hold,
A D
Down that red dirt road,

[Chorus]

D
It's where I drank my first beer,
A
It's where I found Jesus,
Bm
Where I wrecked my first car
G
I tore it all to pieces,
D
I learned the path to heaven,
A
It's full of sinners and believers,
Bm
Learned that happiness on earth,

G
 Ain't just for high achievers,
 Em F#m
 I've learned, I've come to know,
 G A
 there's life at both ends of that red dirt road
