[Intro]

G Bm C (x4)

[Verse]

G Bm C G Bm C
Baby here I am again, kicking dust in the canyon wind

Waiting for that sun to go down
G Bm C G Bm C
Made it up Mulholland Drive, hell-bent on getting high
G Bm C G
High above the lights of town

[Chorus]

D G
You and tequila make me crazy
D G
You run like poison in my blood
Bm Em
One more night could kill me, baby
C D G Bm C G Bm C
One is one too many, one more is never enough

[Verse]

G Bm C G Bm C
For 30 days and 30 nights, I've been putting up a real good fight
G Bm C G Bm C
There were times I thought you'd win
G Bm C G Bm C
It's so easy to forget the bitter taste morning left
G Bm C G
Swore I wouldn't go back there again

[Chorus]

You and tequila make me crazy
D G
You run like poison in my blood
Bm Em
One more night could kill me, baby

One is one too many, and one more is never enough

When it comes to you, oh the damage I could do
Em C
It's always your favorite sins that do you in
