

# They're Hanging Me Tonight by Marty Robbins

[Intro]

C Am F G7

C Am  
When I hear the rain a comin' down

C Am  
It makes me sad and blue

C Am  
Was on a rainy night like this

F C  
That Flo said we were through.

C Am  
I told her how I loved her and

C Am  
I begged her not to go

C Am  
But another man had changed her mind

F C  
So I said goodbye to Flo.

C Am  
Alone within my cell tonight

C Am  
My heart is filled with fear

C Am  
The only sound within the room

F C  
Is the falling of each tear.

C Am  
I think about the thing I've done,

C Am  
I know it wasn't right

C Am  
They'll bury Flo tomorrow but

F C  
They're hanging me tonight,

F C  
They're hanging me tonight!

C Am  
That night he came and took my Flo

C Am  
And headed in to town  
C Am  
I knew I had to find this man  
F C  
And try to gun him down

C Am  
As I walked by a dim cafe  
C Am  
and I looked through the door  
C Am  
I saw my Flo with her new love and  
F C  
I couldn't stand no more,  
F C  
I couldn't stand no more.

C Am  
I took my pistol from my hip and  
C Am  
With a trembling hand  
C Am  
I took the life of pretty Flo and  
F C  
That good for nothin' man  
F C  
That good for nothin' man!

C Am  
I think about the thing I've done  
C Am  
I know it wasn't right  
C Am  
They'll bury Flo tomorrow, but  
F C  
They're hanging me tonight,  
F C  
They're hanging me tonight.
