## [Verse 1]

G

```
G                               Am
Used to spend my nights at a barroom
                               G   C/G   G
Liquor was the only love I've known
G                               Am
But you rescued me from reaching for the bottom
                               G   C/G   G
And brought me back from being too far gone
```

## [Chorus]

```
G                               Am
You're as smoooooooooth, as Tennessee whiskey
                               G   C/G   G
You're as sweeeeeeeet as strawberry wine
G                               Am
You're as waaaarrrrrm as a glass of brandy
                               G   C/G   G
And honey I stay stoned on your love all the time
```
