Stomp on the flag and light it up

Yeah, ya think you're tough

[Chorus]

Well, try that in a small town  
G A  
See how far ya make it down the road  
Bm A G  
'Round here, we take care of our own  
A Bm  
You cross that line, it won't take long  
G A  
For you to find out, I recommend you don't  
Bm G A  
Try that in a small town

[Verse 2]

Bm G  
Got a gun that my granddad gave me  
A Bm  
They say one day they're gonna round up

Well, that shit might fly in the city, good luck

[Chorus]

Well, try that in a small town  
See how far ya make it down the road  
'Round here, we take care of our own  
You cross that line, it won't take long  
For you to find out, I recommend you don't

[Bridge]

Try that in a small town  
Full of good ol' boys, raised up right  
If you're looking for a fight  
Try that in a small town  
Try that in a small town

[Chorus]

Try that in a small town  
(See how far ya make it down the road)  
'Round here, we take care of our own  
You cross that line, it won't take long  
For you to find out, I recommend you don't  
Try that in a small town  
Try that in a small town, mm-mm
