[Verse 1]

Life's like a road that you travel on
There's one day here and the next day gone
Sometimes you bend; sometimes you stand; sometimes you turn your back to the wind
There's a world outside every darkened door
Where blues won't haunt you anymore
Where the brave are free and lovers soar, come ride with me to the distant shore

[Pre-Chorus]

We won't hesitate to break down the garden gate
There's not much time left today

[Chorus]

Life is a highway, I wanna ride it all night long
If you're going my way, I wanna drive it all night long

[Verse 2]

Bb
Through all these cities, and all these towns

F
It's in my blood and in it's all around

C
I love you now, like I loved you then;

This is the road, and these are the hands
Bb

From Mozambique to those Memphis nights
F

The Khyber Pass to Vancouver's Lights
C

Knock me down and back up again

You're in my blood, I'm not a lonely man

[Pre-Chorus]

Dm C
There's no load I can't hold, a road so rough, this I know

Bb
I'll be there when the light comes in

G
Just tell 'em we're survivors

[Chorus]
