

Honky Tonk Night Time Man by Merle Haggard

G  
I'm a honky tonk night time man I can't stand no light

C G  
I'm a honky tonk night time man I can't stand no light

D7 G  
I get my rest in the daytime I make my running round at night

I had the blues this morning I had the blues all day today

C G  
I had the blues this morning I had the blues all day today

D7 G  
But when the sun goes down I'm gonna tuck my blues away away

And when my heart starts beating when the sun starts sinking low

C G  
Lord my heart starts beating when the sun starts sinking low

D7 G  
When the shadows fall I know it's time to go

G  
I'm a honky tonk night time man I can't stand no light

C G  
I'm a honky tonk night time man I can't stand no light

D7 G  
I get my rest in the daytime I make my running round at night
