[Intro]

[Verse 1]

G D
You always had an eye for things that glitter
Em D
but I was far from being made of gold
C G/B
I don't know how but I scraped up the money
Am D
I just never could quite tell you no
G D
Just like when you were leaving Amarillo
Em D
Takin' that new job in Tennessee
C G/B
and I quit mine so we could be together
Am D
I can't forget the way you looked at me

[Chorus]

G D Em
Just to see you smile
D C Em D
I'd do anything that you wanted me to
G D Em
When all is said and done
D C
I'd never count the cost
A7 C
It's worth all that's lost
D G
Just to see you smile

[Interlude]

(G) D Em D
C D

[Verse 2]

G D
When you said time was all you really needed
Em D
I walked away and let you have your space
C
'Cause leaving didn't hurt me near as badly
G/B Am D
as the tears I saw rolling down your face
G D
And yesterday I knew just what you wanted
Em D
when you came walking up to me with him
C G/B
So I told you that I was happy for you
Am D
and given the chance I'd lie again

[Chorus]

G D Em
Just to see you smile
D C Em D
I'd do anything that you wanted me to
G D Em
When all is said and done
D C
I'd never count the cost
A7 C
It's worth all that's lost
D G
Just to see you smile

(G) D Em
Just to see you smile
D C Em D
I'd do anything that you wanted me to
G D Em
When all is said and done

D C
I'd never count the cost
A7 C
It's worth all that's lost
D G
Just to see you smile
