[Verse]

C G D/A
She was sittin' all alone over on the tailgate, tan legs swingin' by a
Georgia plate

C G D/A
I was lookin' for her boyfriend, thinkin', no way she ain't got one

C G D
Em D
Soon as I sat down I was fallin' in love, tryin' to pour a little sugar in
her Dixie cup

C G D
Talkin' over the speakers in the back of that truck, she jumped up and cut
me off

[Chorus]

C G D
Em D
She was like, oh my God, this is my song, I've been listenin' to the radio
all night long

C G D
Sittin' 'round waitin' for it to come on and here it is

C G D Em
D
She was like, come here boy, I wanna dance, 'fore I said a word, she was
takin' my hand

C G D
Spinnin' me around 'til it faded out, and she gave me a kiss

C G D
And she said, play it again, play it again, play it again

C G D
And I said, play it again, play it again, play it again

[Verse 2]

I'd have gave that DJ my last dime, if he would have played it just one more
time

But a little while later, we were sittin' in the drive in my truck
Before I walked her to the door, I was scannin' like a fool AM, FM, XM too
But I stopped real quick when I heard that groove, man, you should have seen
her light up

[Chorus]

She was like, oh my God, this is my song, We've been listenin' to the radio
all night long
I can't believe that it came back on, but here it is.
She was like, come here boy, I wanna dance, 'fore I said a word, she was
takin' my hand
Spinnin' in the headlights she gave me a goodnight kiss
And I said, play it again, play it again, play it again
And she said, play it again, play it again, play it again

[Bridge]

The next Friday night we were sittin' out under the stars
You should have seen her smile when I broke out my guitar

[Chorus]

She was like, oh my God, this is my song, I've been listenin' to the radio

all night long
