

Why Me by Kris Kristofferson

[Verse 1]

Why me lord?                   G  
What have I ever done,                   G7                   C  
to deserve even one,                   G  
of the pleasure I've known?                   D7  
Tell me lord,                   G  
what did I ever do,                   G7                   C  
that was worth loving you,                   G  
Or the kindness you've shown?                   D7                   G

[Chorus]

Lord help me Jesus,                   C  
I've wasted it so help me Jesus,                   G                   D7  
I know what I am.                   G                   G7  
But now that I know,                   C  
that I needed you so help me Jesus,                   G                   D7  
my souls in your hand.                   G                   D7

[Verse 2]

Try me lord,                   G  
If you think there's a way,                   G7                   C  
I can try to re pay,                   G  
all I've taken from you.                   D7  
Maybe Lord,                   G  
                 G7                   C

I can show someone else,  
what I've been through my self,  
on my way back to you.

[Chorus] (x2)

Lord help me Jesus,  
I've wasted it so help me Jesus,  
I know what I am.  
But now that I know,  
that I needed you so help me Jesus,  
my souls in your hand.

[Outro]

Jesus, my soul's in your hands.
